RULES

Interested participants should read the Yucca Valley Wastewater Treatment and Water Reclamation Project Questions & Answers booklet (available online or at Hi-Desert Water District) and write an essay summarizing the information.

Entries will be judged based on grammar, knowledge of subject matter, style, and grade level bracket (either 6th-8th & 9th-12th grades).

Winning essays will be announced on May 18th at the regular Board meeting. A first, second and third place will be selected for the 6th-8th grade group and for 9th-12th grade group. Both first place essays will be published in the Summer "Water Notes" Newsletter.

The essay must include the title of the essay contest "Wastewater Treatment in Yucca Valley" and meet the following guidelines:

- Be the original work of the student.
- Be typed or handwritten.
- Be limited to 300-500 words.
- Be on white 8 1/2" x 11" paper
- Include the name, grade, teacher, and school.

If you have questions, please call Jennifer Cusack at (760) 228-6267.
