

- How many copies of the proposal do you want submitted? It appears that you want hard copies only; how many do you want?
  - Email One 1 electronic copy in pdf format. Cost proposals in a separate document.
- Under the schedule, under November 9, the RFP states: “References shall submit the web-based Reference Questionnaire (identified in the cover letter of this RFP) by or before this deadline.” What does this refer to? We cannot find a Reference Questionnaire on your website.
  - Removing Reference Questionnaire. Please provide a list of References by the revised deadline of November 13, 2023
- I’m reviewing your RFP in more detail this morning. Under Scope of Services, paragraph 3a, it states that “the District’s current project list and Hazardous Mitigation Plan are attached for informational purposes.” We could not find any such documents attached to the RFP. Are they somewhere on your website?
  - It can be found at the following link
- Will you be looking for Geotechnical engineering services as part of this RFP?
  - No, Geotechnical Engineering Services are not part of this RFP.
- Will an addendum be issued prior to 11/8/2023?
  - We will be issuing an addendum and extending the submittal deadline to COB, Monday November 13<sup>th</sup>.
- See edits to section IV.
