**\*5.20.060 Domestic, commercial, and industrial service connections.**

It shall be unlawful to maintain a connection excepting in conformity with the following:

A. Multiple Dwellings. Multiple houses or buildings constructed subsequent to the adoption of this title, under one ownership and on the same lot or parcel of land, must be supplied through separate metered service connections.

B. Single Connection. Not more than one service connection for domestic or commercial supply shall be installed for one building, except under special conditions.

C. Different Owners. A service connection shall not be used to supply any adjoining, property across a street, alley, easement, a different owner, or a different tenant.

D. Divided Property. When property provided with a service connection is divided, the service connection shall be considered as belonging to the lot or parcel of land which it directly enters. [Ord. 73 § 6.06, 2002].
